KEY

- - Main Roads
- - Suggested routes for cyclists avoiding main roads
-  Crossing lights for pedestrians
-  At these points you will currently have to dismount and push your bike.
- With the co-operation of Cheshire East it is hoped that we can develop a number of these points on the cycle route for dual use.
-  Cycle Parking

The aims of the Cycling Village Project are to

-  develop safe routes to shops, schools and station
-  encourage the use of local shops and services
-  provide secure cycle parking
-  reduce vehicle congestion in the village
-  promote sustainable local transport
-  encourage people to be physically active
