This full route will take approximately 2.5 hours to complete. You will need to be able to climb over several stiles to access the Viaduct and is therefore not suitable for anyone with any mobility issues and is not pushchair / wheelchair friendly.

Twemlow Viaduct is a listed structure and to deface it with graffiti is a criminal offence. Purchase a slate heart at Sam Dale & Son to leave a message at Harry's Wall.

Please keep our countryside tidy. Take your litter home with you, or use the bin marked on the map.

The route to Twemlow Viaduct can be muddy so we recommend wearing suitable footwear such as walking boots.

Follow the public footpath alongside the River Dane towards the viaduct. Cross the stream via the footbridge and continue to the viaduct.

- 5** Continue south on A50 past the precinct and library on your left towards the traffic lights. Cross carefully at the crossroads junction where the A50 and A54 meet. Fortune City Chinese restaurant is on your right.

Take the footpath opposite the restaurant and to the right of the car garage into Bromley Drive. At the end of this road, cross over Station Road and head right towards the train station which will be on your left.
